# Nadcap Certificate Issuance

February 2010

What Has Changed?

- Nadcap accreditation certificates no longer display an expiry date
- The text advises to check the validity on eAuditNet QML
- You will no longer receive a new certificate following future reaccreditation audits.

OLD

NEW

Expiration Date: October 31, 2010
Certificate No: 123456
Issued: July 03, 2009

This certificate expiration is updated based on periodic audits. The current expiration date and scope of accreditation are listed at: www.eAuditNet.com – Online QML (Qualified Manufacturer Listing). Certified since: 03 March 1995

What do you tell your customers?

- If they do not have eAuditNet access…
  - Go to www.eAuditNet.com
  - Click the 'Register Now' button (registration is free)
  - Log in with your temporary access that is emailed to you
  - Follow the steps below

- If they have eAuditNet access already…
  - Log in to www.eAuditNet.com
  - Under *Resources*, Choose *Online QML* or *ISO/IEC 17025 QML*
  - Search by your company name to verify your accreditation
  - Click on the company name for complete details of expiration dates, scope etc.

If they experience any problems or have any questions, they can contact eAuditNetSupport@sae.org
